Soofer Co., Inc.

Quality Herbs, Spices and Seasonings

QUALITY

We are committed to providing you with extremely high quality herbs, spices and seasonings. We utilize a variety of tests, including test for flavor, color, aroma, moisture, mesh size, volatile oil content, micro organism analysis, pesticide, herbicide levels. Our knowledgeable team of quality control specialists continually monitor our product quality to ensure customer safety and satisfaction. We are completely involved in all aspects of production and quality control.

PACKAGING

We care as much about our packages as we do our quality herbs and spices. Why? Because we thoroughly research growers, processors and suppliers to purchase the world's finest spices. Our quality control specialists continually monitor production and quality control; So it's only natural we designed packages that lock in their incredible flavor, freshness, and purity. This commitment to quality enables us to package and sell exceptional herbs spices and seasonings. With new clear plastic PET bottles, we've made it easier to see the quality of Sadaf® herbs, spices and seasonings. For improved handling these bottles have a natural shape.

CLIMATE CONTROLLED STORAGE

Our climate controlled storage facility provides ideal storage conditions for our herbs and spices. Freshness and volatile flavor components are well preserved at ideal temperature and humidity.

SATISFACTION GUARANTEED

Our complete attention is focused on every detail concerning quality and consumer satisfaction. We back up this quality and commitment with our 100% satisfaction guarantee.
